

# About Breezy Blue™

## BREEZY BLUE™ IS AN AUTOMATED WHOLE-ROOM DISINFECTING SYSTEM

Delivers >99.99% reduction of germs and viruses while eliminating odors—supporting a clean, fresh, and safe environment.

## SAFE AROUND EVERYDAY ITEMS

Dry fog is suitable for use around papers, electronics, furniture, and food prep areas—no wetting or residue.

## GERM-FREE AND ODOR-FREE SPACES

Regular fogging with Breezy Blue™ delivers effective whole-room disinfection and odor elimination.

A hydrogen peroxide-based solution achieves a 15-minute total treatment time—leaving no residue or odors behind.
