

HOSPITAL-GRADE RESPONSE TO SCHOOL ILLNESS

BREEZY BLUE

ARE YOU EXPERIENCING FLU, NOROVIRUS, COVID, RSV, HAND FOOT & MOUTH?

Because of these illnesses:

- Students miss school and fall behind
- Teachers get sick
- Understaffed custodial teams cannot keep up

HOSPITAL TECHNOLOGY CAN HELP YOU FIGHT BACK

Breezy Blue whole-room disinfection:

- Dry fog kills >99.99% of germs and reaches all surfaces
- Hydrogen peroxide, an EPA *Safer Chemical Ingredient*, is food-safe and toxin-free
- Useful for all ages - from infant daycare to higher education
- Operated by remote control with near-zero labor

BE PREPARED WITH BREEZY BLUE.
